Set of 60° blades for xTool M1 (5 pieces)

Ref: 6928819514591

Set of 60° blades for xTool M1 (5 pieces)

60° blade set for xTool M1 (5 pieces)
The 60° blade set for the xTool M1 engraving machine is an indispensable accessory for anyone who wants to realize the full potential of their machine. The five blades ensure precision cutting in a variety of materials, such as film, paper and thin plastics. The optimum angle of 60° allows for detailed execution of even the most complicated projects with excellent accuracy. Replacement of blades is simple and fast, which ensures continuous operation and allows you to maintain high quality cuts for a long time.
