Foldable headphones 2in1 Disney Princess Lexibook

Foldable headphones 2in1 Disney Princess Lexibook are the perfect choice for little Disney princess fans who want to enjoy their favorite music, audiobooks and games in style. These sleek headphones offer two modes of operation: wireless Bluetooth and wired via AUX-IN cable for complete versatility of use. This allows kids to freely use the device both indoors and outdoors without worrying about range limitations or the need for constant charging.

Impressive durability and freedom of movement

Equipped with an extremely powerful battery, the Disney Princess Lexibook headphones provide an impressive playback time of up to 60 hours on a single charge, with a full charge lasting about 34 hours. Such a long runtime means kids can enjoy music for days without the need for frequent charging. In addition, the operating range of up to 10 meters allows full freedom of movement, allowing children to comfortably listen to their favorite sounds even while active. These headphones combine modern technology with the charm of Disney characters, creating a product that is sure to become every little princess' favorite gadget.
