

Lamp LED Neewer GL1C RGB 48W 2900-7000K

Lamp LED Neewer GL1C RGB 48W 2900-7000K

Ref: 6976831830151

Discover a New Quality of Lighting with the Neewer 660 PRO RGB 50W LED Lamp.

The Neewer 660 PRO RGB 50W LED lamp isn't just a light - it's a tool that opens up unlimited possibilities for your content creation. With versatile connection options, Elgato Stream Deck compatibility, excellent light quality, wide color range and sleek design, this lamp becomes an indispensable tool for any streaming enthusiast, content creator or lighting professional.

Easy and Hassle-Free Connections

Our Neewer 660 PRO RGB 50W LED lamp is synonymous with versatility! Whether you prefer to connect via 2.4G, WLAN, Bluetooth or an app, this lamp will meet your needs. Connectivity has made controlling your lighting even more intuitive.

Elgato Stream Deck Compatibility - Create in Dozens of Ways!

For streaming enthusiasts and content creation professionals, our light is the perfect partner. With Elgato Stream Deck compatibility, you have a wide range of options to customize your settings so your content always looks perfect.

Superior Light Quality for Perfect Details

With 48 watts of power and 144 LED lamps, our lamp provides unparalleled light quality. With a maximum illumination of 4300 lux/0.5m and a high CRI of 97+, your content will look amazing, reflecting every color and detail in a realistic way.

Unlimited Color Possibilities

Experience the full range of colors with a full color touch bar. Adjustable color temperature from 2900 K to 7000 K and color correction capabilities allow you to create countless light combinations. Plus, 18 special scene FX effects, including a music sync mode, give you control over the ambience of your content.

Elegant Design, Quiet Operation

The unique design of the Neewer 660 PRO RGB 50W light not only impresses with its aesthetics, but also ensures efficient operation. The fanless design ensures quiet operation, ideal for content creation in any environment. In addition, the clamp stand with ball head adapter allows flexible mounting of the lamp for maximum convenience.
