Wireless headphones, Vention, NBMB0, Earbuds Air A01 (beige).

Introducing the Vention NBMB0, Earbuds Air A01 wireless headphones. This is a model that offers modern features and comfort thanks to solutions such as Bluetooth 5.3, 24-hour battery life, voice assistant support, and IPX4 water resistance. It's the choice for those who want great sound, versatility and durability in one stylish package.

### Bluetooth 5.3

With Bluetooth 5.3, the headphones provide a stable connection of up to 12 meters, eliminating interference and lag. AVRCP/A2DP/HFP/HSP profiles allow seamless switching between functions such as music, phone calls and voice commands, ensuring versatility and convenience in any situation.

### High-quality sound

The headphones support the SBC/AAC codec, providing clear, rich sound at 20Hz-20kHz. This makes any song, podcast or conversation sound natural and clear, allowing you to fully immerse yourself in the world of sound.

### Battery life and convenient charging

Each earphone is equipped with a 40 mAh battery, providing up to 5 hours of use on a single charge. The charging case, with a capacity

of 320 mAh, adds another 19 hours, allowing a total of 24 hours of uninterrupted use. Fast charging with a USB-C cable makes the device ready for use in no time.

#### Waterproof and durable

With IPX4 water resistance, the headphones are protected from sweat and rain, making them an ideal choice for athletes and active people. The housing made of durable ABS plastic guarantees long-lasting durability, providing a sense of security when using the headphones in any conditions

#### Smart features and extras

Vention headphones offer exceptional user comfort. A smart LED display on the charging case allows you to quickly check the charge level. Also included are three sizes of ear tips (one pair already fitted), ensuring a perfect fit for every ear.
