Wireless Headphones, Vention, NBFV0, Elf Earbuds E01 (pink)

The Vention NBFV0 Elf Earbuds E01 headphones combine advanced technology, superior sound quality and convenience to give you a complete audio experience. From the convenience of everyday use to clear conversations to deep immersion in music, these earbuds are the perfect companion for any occasion.

Bluetooth 5.3: stable and efficient connection

Bluetooth 5.3 technology provides a stable and fast connection over a distance of up to 10 meters. AVRCP/A2DP/HFP/HSP profiles allow seamless switching between music, phone calls and voice commands, making the headphones versatile and convenient to use. When you first pair with the device of your choice, the headphones automatically connect to it, saving you time and effort.

Excellent sound quality from music to calls

The headphones support the full frequency spectrum (in the range of 20Hz-20kHz). Thanks to 10-millimeter dynamic drivers and SBC/AAC codec support, it is clear and crisp. They are perfect for listening to music, phone calls and playing games, making every audio experience full and satisfying. Simply immerse yourself in a world of sound while enjoying a minimum latency of 0.18 seconds.

Listen even longer

Each handset is equipped with a 40 mAh rechargeable battery, providing up to 7 hours of continuous use. The 230 mAh charging case provides an additional 14 hours of use, giving you a total of 21 hours of listening to your favorite songs and podcasts. Charging via USB-C is fast and convenient (1.5 hours for the headphones and 2 hours for the case), and the built-in LED display allows you to easily monitor the charge status.

Waterproof design

With IPX4 water resistance, the headphones are protected from sweat and rain, ideal for an active lifestyle. The ABS housing is durable and lightweight for long-lasting durability, giving you peace of mind that the headphones will stay with you for a long time, no matter what conditions accompany you.

Perfect fit and unparalleled comfort

The headphones come with three sets of ear tips, with one pair already installed, ensuring a perfect fit for every ear. This makes them extremely comfortable even during prolonged use, allowing you to be fully immersed in sound without discomfort.
