Wall charger, Vention, FEQL0-EU, USB-C + USB- A, 30W/30W, GaN (blue)

Power charger, Vention, FEQL0-EU, USB-C, USB- A, 30W/30W , GaN (blue)

Enjoy fast charging of up to 2 devices simultaneously. The Vention FEQL0-EU charger offers up to 30 watts of power and supports standards such as PD, PPS and QC, for example. It also features a compact design and puts 2 ports at your disposal - USB-A and USB-C. What's more, it guarantees incredible performance and safe use thanks to GaN III technology.

Short charging time

Do you have to leave the house soon and your phone is close to draining? Don't worry about anything - with the Vention charger you will renew its energy in no time! The device stands out with a power of up to 30 watts and supports various fast charging standards, including PD, QC, PPS and FCP. So you can charge your smartphone, headphones and more in no time!

Charge 2 devices simultaneously

The charger is equipped with 2 ports - USB-C and USB-A. This allows you to charge 2 devices at the same time! You can easily connect your phone and headphones to it, for example. You no longer have to wonder which equipment to charge first!

Compatible with your devices

With the charger you can easily charge most of your devices. The product is compatible with smartphones, tablets, headphones and

smartwatches from well-known manufacturers, among others. It will certainly not let you down!

Compact, efficient, reliable

The charger uses advanced GaN III technology, so it successfully combines outstanding performance and compact design - its dimensions are only 33 x 33 x 57.4 mm. So you can always have it at hand! The product is also protected against overheating, overvoltage, overcurrent and short-circuit, and its housing is made of flame-retardant PC plastic. All this makes charging not only fast, but also safe!
