Ref: 6922794772632

Wall charger, Vention, FEGW0-EU, 2xUSB-C, USB- A, 100W/100W/30W, GaN (white)

Power charger, Vention, FEGW0-EU, 2xUSB-C, USB- A, 100W/100W/30W, GaN (white)

Now you can charge up to 3 devices at the same time in a short time. The Vention FEGW0-EU charger puts as many as 3 ports (2x USB-C, 1x USB-C) at your disposal, offers up to 100 watts of power and supports various fast charging standards. At the same time, it is exceptionally handy and durable. It also uses advanced GaN technology to ensure its efficient and safe operation.

Fast charging

Forget about the long wait until your devices are ready to use. The charger stands out with up to 100 watts of power and supports various fast charging standards, such as PD, QC, AFC and SCP, for example. This will save you time! You can also use it to charge 2 laptops at the same time, while enjoying impressive performance.

Wide compatibility

The charger is compatible with most commonly used devices. With its help you can easily charge your smartphone, laptop, tablet, wireless headphones or portable gaming console, such as Nintendo Switch, among others. With Vention you don't have to limit yourself!

As many as 3 available ports

Don't wait until one device is charged before connecting another. With as many as 3 available ports (2x USB-C, 1x USB-A), you can

charge up to 3 devices at the same time without any problems! However, that's not all. The charger intelligently distributes power among the connected devices to ensure that they not only charge quickly, but also safely. Don't be afraid of damaging their batteries quickly!

Performance and safety
Advanced GaN technology has made it possible to reduce the size of the charger to 62 x 73.6 x 32 mm, allowing it to be transported effortlessly. You can easily fit it in your bag or backpack! In addition, the solution used ensures efficient yet safe charging. The product is also effectively protected against overheating, overvoltage, short circuit and other hazards. It is also distinguished by a durable housing made of flame-retardant and environmentally friendly PC plastic.
