Controller Grip Cover Kiwi Design Q1 PRO-2 for Meta Quest 2 Black

Ref: 0850052498368

Kiwi Design Q1 PRO-2 for Meta Quest 2 Black protective cover for controllers with handle.

Take care of the protection of your controllers for the Meta Quest 2. Dedicated covers by Kiwi Design will protect them from bumps and scratches, and also provide you with greater comfort. They are equipped with adjustable straps fastened with strong Velcro and feature a non-slip surface, so they guarantee a secure grip and prevent your devices from falling out. There are also clear "L" or "R" markings on each, making it easy to distinguish the left controller from the right. In addition, special safety grommets further minimize the risk of the covers slipping off and provide them with greater stability.
