Flange 24mm for S9Pro/S12Pro Momcozy

Ref: 5906168435287

Flange 24mm for S9Pro/S12Pro Momcozy

Flange with a size of 24 mm, dedicated to Momcozy S9Pro/S12Pro breast pumps. It ensures a comfortable and efficient milk collection process, thanks to its carefully crafted construction of safe silicone. No worries about harmful substances - all parts in contact with breast milk are BPA-free, guaranteeing complete safety for your baby. Remember the manufacturer's recommended time to replace accessories every 3 months to maintain optimal performance and hygiene of your pump. Choose quality and safety.
