Dareu A918X Wireless Mouse (black)

Dareu A918X is an advanced wireless mouse designed for demanding users. Its small, lightweight design hides cutting-edge technologies that make it ideal for both work and gaming. Thanks to 2.4G connectivity and Bluetooth, it provides reliable transmission in almost any conditions, and the ability to adjust the DPI allows you to adjust its performance to your needs.

2.4G connectivity and Bluetooth

The Dareu A918X mouse allows you to choose between 2.4G and Bluetooth connectivity for almost unlimited freedom. Forget about lag, stuttering and other signal problems! In addition, a reporting frequency of as much as 1,000 Hz (adjustable via the controller) guarantees exceptionally smooth and precise operation, regardless of the selected connectivity mode.

Exceptional Precision With PAW3335 Sensor

At the heart of the mouse is the advanced PAW3335 sensor, offering four levels of DPI resolution: 800, 1,200, 2,400 and an impressive 16,000, so you can tailor its performance to your expectations! What's more, with its 400 IPS tracking speed and 40G acceleration, the device provides unparalleled accuracy and responsiveness, ideal for intense gameplay and precision tasks.

Long-lasting operation on a single battery

You only need one AA battery to power the mouse, which allows for about 190 hours of use in 2.4G mode or up to 160 hours in Bluetooth mode. So you can use it for a really long time! Don't be afraid that it will refuse to serve you at the most important moment of a game or while working on an important project. In addition, in standby mode, the mouse consumes a minimal amount of energy, ensuring longer working time.

Ergonomic and functional design

The Dareu A918X is designed for maximum comfort in use. Its dimensions of 121.6 x 64.7 x 39.6 mm and weight of about 75 g make it fit perfectly in the hand, reducing fatigue even during prolonged gameplay. In addition, its ergonomic shape and intuitive button layout ensure comfort and efficiency.

Comprehensive compatibility

The mouse is compatible with Windows XP, 7, 8 and 10 operating systems, making it ideal for a wide range of users. Whether you're using a desktop or laptop, the A918X will perform perfectly, offering reliability and convenience.
