Dareu A950 Pro Tri Mode Wireless Mouse White

Dareu A950 Pro Tri Mode Wireless Mouse (white)

The Dareu A950 Pro is an extremely versatile and technologically advanced wireless mouse, designed for the most demanding users. With three modes of connectivity - 2.4G, Bluetooth and wired connection - it offers incredible flexibility and reliability in any situation. The device also allows you to adjust the DPI and stands out for its long working time.

Three connection modes

The Dareu A950 Pro mouse allows you to choose between 2.4G, Bluetooth and wired connection. This allows you to enjoy stable and fast transmission in almost any situation. Choose the best option for you and ensure reliable, smooth performance without lag or interference!

Unmatched precision and speed

The Dareu A950 Pro features an advanced PAW3395 sensor that offers an impressive 650 IPS tracking speed and 50G acceleration. The device also allows you to adjust the DPI in the range of 400, 800, 1600 (default), 3200 and 6400, so you can customize its performance according to your needs and habits. All this makes the mouse perfect for gaming, work, photo editing and more!

Long-lasting work and fast charging

With a 300 mAh battery, the A950 Pro mouse can last up to 6 days in 4K mode and up to 37 days in Bluetooth mode. Forget about the need to plug the equipment into the power supply frequently! What's more, it only takes about 40 minutes to fully charge the device, allowing you to get back to work or play quickly.

Lightweight and ergonomic design

With a weight of just 55 g, the Dareu mouse is extremely lightweight and comfortable to use. Its ergonomic shape and dimensions of 122 x 64 x 38 mm make it fit perfectly in the hand, providing unparalleled comfort even during prolonged use. It also comes with a practical carrying case for easy transportation and storage.

Impressive durability

The buttons of the Dareu A950 Pro mouse are made of durable PBT material and feature a lifespan of up to 80 million clicks. As a result, the device can serve you well for a long time - don't worry that it will refuse to serve you too soon.

Wide Compatibility

The Dareu A950 Pro mouse is compatible with Windows XP, 7, 10 and 11 operating systems, as well as macOS 10 and later. This makes it ideal for a wide range of users, regardless of the device used. Enjoy comfortable work and gaming in almost any circumstances!
