Memory card Samsung microSDXC PRO Ultimate 256GB 200/130 MB/s UHS-I/U3 (MB-MY256SB/WW)

Samsung microSDXC PRO Ultimate 256GB 200/130 MB/s memory card (MB-MY256SB/WW).
When looking for a memory card that will provide both exceptional capacity and high data transfer speeds, look for the 256GB Samsung PRO Ultimate model. This is a solution that will be perfect for both advanced mobile devices and other electronic gadgets that require fast access to large amounts of data.

Speed and efficiency
With read speeds of 200 MB/s and write speeds of 130 MB/s, the Samsung PRO Ultimate card significantly reduces the time required for file transfers. This is especially important when working with large multimedia files, such as 4K videos or large RAW files from photos. The Class 10 and UHS-I/U3 speed class ensures that the card can handle even the most demanding tasks, such as high-definition video recording.

Built for multimedia
Video Class V30 means that the card is optimized for recording video at the highest available quality without risking loss of detail or lag. In addition, thanks to the A2 application speed class, users can enjoy smoother and faster launch and operation of applications installed directly on the card.
