Memory card Samsung Pro PLUS microSDXC 512GB 180/130 MB/s UHS-I U3 (MB-MD512SA/EU)

Ref: 8806094780550

Samsung Pro PLUS microSDXC 512GB 180/130 MB/s UHS-I U3 memory card (MB-MD512SA/EU).

The 512GB Samsung PRO Plus microSDXC memory card is an advanced data storage solution that provides high performance in both reading and writing data. This model, marked with the manufacturer's code MB-MD512SA/EU, is designed for users who need reliable and fast memory for a wide range of applications.

#### Speed and performance

The card features an impressive read speed of 180 MB/s and write speed of 130 MB/s. Such parameters allow for lightning-fast data transfer, which is crucial when working with large multimedia files, such as high-resolution photos and 4K videos. The U3 speed class and Video V30 class ensure that the card meets the latest write speed standards, which is important when recording high-definition video.

#### Optimization for applications

The A2 application speed class is another advantage of this card, which demonstrates its ability to launch and run applications quickly. This is especially important in mobile devices, where the card can be used to expand internal memory. This allows users to enjoy smoother and more responsive application performance.
