NE20171 outdoor chef set

The NexTool NE20171 is a complete set of kitchen tools designed for outdoor cooking. It is perfect for both amateur and professional cooks who appreciate quality and functionality when preparing meals at the campsite, camping or in the garden. The set comes in a practical canvas bag for easy transportation and storage of tools. The bag is durable and provides protection from damage during travel.

Folding magnetized cutting board

The cutting board made of imported sapele wood is characterized not only by its elegant appearance, but also by its exceptional durability. The built-in magnet provides stability while cutting, and the folding design allows the set to be easily carried and stored.

Stainless steel knife and scissors

The set includes a Santoku knife with a PVD-applied titanium coating and scissors for precise and fast slicing of various ingredients. Blades made of 3Cr13 and 3Cr14 stainless steel guarantee long life and corrosion resistance.

Integrated knife sharpener

The innovative design includes an integrated knife sharpener that allows you to quickly and easily sharpen the blade as you work. This ensures that your kitchen tools are always ready to use, making it much easier to prepare meals outdoors.
