

## Metal Protection Cage PULUZ For DJI OSMO Pocket 3 (PU933B)

Ref: 5906168435553

Metal Protection Cage PULUZ For DJI OSMO Pocket 3 (PU933B)

PULUZ metal case for DJI OSMO Pocket 3 (PU933B)

Give your DJI Osmo Pocket 3 camera the ultimate in protection and functionality with the PULUZ Metal Case. Made of high-quality aluminum alloy, this accessory offers solid protection and versatile expandability, ideal for professional content creators.

### Robust protection and durability

The case is made from high-quality aluminum alloy, using a CNC process to ensure durability and aesthetic appeal. As a result, it provides reliable protection for the DJI Osmo Pocket 3 camera, protecting it from impact damage and more. In addition, excellent heat dissipation properties prevent the device from overheating.

### Convenient expansion and versatility

The case comes with two cold-shoe adapters that allow you to connect additional accessories, such as backlights or microphones. This allows you to easily adapt your device to different recording scenarios, increasing its functionality.

### Universal adapter and easy installation

The PULUZ metal housing offers a universal adapter that allows quick installation and removal of the camera. It also comes with six screws and an allen wrench for easy installation. The product is also compatible with a wide range of camera accessories, thanks to a

1/4-inch screw hole on the bottom. You can connect a tripod, selfie stick, mount or other accessories to it, allowing you to take full advantage of the camera's capabilities.

Included
