

Deli E886A Thermal label printer

Deli E886A Thermal label printer

Ref: 6921734926432

Deli E886A label printer

Deli E886A thermal label printer can be used in the office or store. It allows for quick and clear printing with a speed of up to 90mm/s. The device is compatible with Windows - the built-in USB port allows you to easily connect it to your computer. The product also supports Bluetooth. Paper installation will not cause you any problems either. The printer is fabulously easy to use, and thanks to its compact design it will not take up too much space on your desk or counter.
