Arzopa A1S 14.0" Portable Monitor

The Arzopa A1S 14.0" Portable Monitor is the ideal solution for people who appreciate excellent image quality, convenience and mobility. Its 14-inch screen provides a resolution of 1920 x 1080 pixels with an aspect ratio of 16:9, allowing you to enjoy every detail of the image. It will be great for both work and entertainment. Thanks to its lightweight and compact design, you can take it with you almost anywhere.

Unparalleled image quality

The 1920 x 1080p resolution guarantees a clear image with excellent sharpness, while the wide 178° viewing angle both vertically and horizontally allows comfortable viewing from any perspective. The 1000:1 contrast ratio, combined with HDR technology, guarantees unparalleled color depth and impressive details that bring content to life.

Comfort for your eyes

Forget the feeling of dry or burning eyes after a long time in front of the monitor. The Low Blue Light feature eliminates dangerous blue light that can lead to visual fatigue, excessive eye strain and disrupted sleep patterns.

Ease of use

With a USB-C interface and input ports, including mini HDMI and USB-C, this monitor is extremely convenient to use. You can easily connect it to your laptop, smartphone, or tablet and enjoy instant access to an expanded workspace. In addition, the built-in speaker provides high-quality sound without the need for additional audio devices.

Mobility without compromise

Whether you're working on the go or enjoying games and movies anywhere, the Arzopa A1S provides maximum convenience. Its compact size makes it easy to fit in a backpack or bag, so you can take it wherever you need a screen. Its model also has the advantage of a built-in stand, allowing you to adjust the viewing angle up to 80 degrees.
