Acefast D24 car phone holder (black)

The Acefast D24 Car Phone Holder provides security and comfort while traveling. Made of high-quality ABS and PC materials, the holder is characterized by durability, and thanks to its flexible design, you can adjust the position of your smartphone according to your needs. What's more, it is compatible with various types of cup holders and smartphones with a width of 55-96 mm.

Carefully refined design

You can mount the Acefast D24 in a cup holder to save space. What's more, it doesn't block the driver's view. The product is designed to accommodate a variety of smartphone models with a width of 55 to 96 mm (4.5-6.7 inches). Thanks to its 360° adjustability, the user can position the phone at any angle, making it more convenient to use. In addition, the holder has a safety lock that holds the phone stably, preventing it from falling and damaging it while driving.
