

Adapter / connector Lightning to USB-C Mcdodo OT-5990, PD 36

Ref: 6921002659901

Adapter / connector Lightning to USB-C Mcdodo OT-5990, PD 36W

Lightning to USB-C adapter / adapter Mcdodo OT-5990, PD 36W.

Mcdodo OT-5990 adapter can accompany you almost anywhere. It is lightweight (3g) and compact (37.9 x 11.2 x 7.5 mm), so transporting and storing it won't be a problem. What's more, it supports PD fast charging and allows you to transfer files at 480 Mbps. On the other hand, the LED display informs you about the charging power, and the wide compatibility increases the freedom of use.

Quickly charge your device

The adapter supports PD fast charging protocol, so you don't have to wait too long to get your device ready to charge again. You'll charge an iPhone 15 to 60% in about 30 minutes. The product is also compatible with iPads, MacBooks, TWS handsets and devices from brands such as Samsung, Huawei, Google, etc. All you need to do is connect the Lightning to USB-A/USB-C cable to the adapter.

Thoughtful design

Mcdodo OT-5990 has been finished with aluminum alloy, which translates into resistance to damage. What's more, it has passed a number of durability tests, so that even after some time of use, the connector will sit firmly in the port. In addition, the built-in LED display indicates the charging power in real time.
