USB-C to USB-C Cable Aukey CB-MCC101, 100W, 1m (black)

Aukey CB-MCC101 USB-C to USB-C cable, 100W, 1m (black).

Use the Aukey CB-MCC101 cable to both charge your device and transfer files. It is distinguished by its durable design, so it will work well on a daily basis. In addition, it is compatible with a wide range of USB-C devices - whether you use it at home, in the office or on the go, the Aukey CB-MCC101 cable will meet all your requirements.

Charge your equipment and transfer files

With PD 100W fast charging support and a built-in E-marker chip, the Aukey CB-MCC101 cable allows you to charge your devices instantly, minimizing the time it takes to fully charge them. A data transfer speed of 480 Mbps ensures fast and reliable file transfers between devices.

Durable design

The Aukey CB-MCC101 cable was created from high-quality nylon, which ensures exceptional durability and resistance to damage and wear. This makes the cable resistant to bending, stretching and tangling, which translates into long-term use without worrying about damage. In addition, the built-in display allows you to keep track of the charging power.
