Blackview AirBuds 7 Wireless Headphones (black)

Blackview AirBuds 7 are unique wireless headphones that combine excellent sound quality, convenience of use and stylish design. They offer sound full of detail, with rich bass and clear mid and treble tones. Built-in microphones with advanced noise cancellation will allow for clear conversations in noisy environments, and they have a runtime of up to 7 hours.

### Sound that delights

Equipped with dynamic 13mm drivers, the headphones deliver sound with unprecedented clarity and depth. Now every sound, from the softest whisper to the most energetic thump, sounds even more intense and realistic.

### Wireless freedom

With the latest version of Bluetooth 5.3, AirBuds 7 provide a stable and fast connection to the device of your choice. Pairing them is extremely easy - pair the headphones with your smartphone or tablet and they will connect automatically every time. In addition, they offer a special Game mode that guarantees ultra-low audio latency for an even more immersive experience.

### Clear conversations anytime, anywhere

Imagine enjoying clear and crisp phone conversations in any environment, whether it's a bustling office, a busy street or even while

traveling. With advanced ENC (Environmental Noise Cancellation) and DNS (Dialogue Noise Suppression) technologies, the headphones automatically turn on noise cancellation mode to eliminate unwanted ambient sounds during calls.

#### More time to listen to music

Nothing can stop you from listening to your favorite tunes anymore! AirPods 7 guarantee up to 7 hours of uninterrupted playback, and when combined with the charging case, offer up to 30 hours of use. This way you won't have to worry about low battery anymore! What's more, a small LED display on the front of the case will inform you of their charging status.

#### Lightweight, comfortable, waterproof

Each of the AirPods 7 headphones weighs just 3.7 grams, making them extremely comfortable to wear for long periods of time. Their ergonomic design ensures a perfect fit in the ear, minimizing uncomfortable pressure. With IPX7 water resistance, the Blackview headphones are ready for any adventure. Resistant to sweat or rain, they guarantee reliability even in the most demanding conditions.
