Blackview R30Pro smartwatch (pink)

The Blackview R30Pro smartwatch is an indispensable everyday companion! Equipped with a 1.85-inch display, it allows you to conveniently use all functions. It offers many health monitoring functions, and with up to 100 sports modes, you can track and analyze your workouts. Its waterproof design makes it unafraid of any challenge.

1.85-inch display

With a 1.85" display, the Blackview R30Pro allows you to operate it comfortably, providing a clear and easy-to-read display in any situation. The smartwatch also allows you to personalize the appearance of the dial - you can choose from a wide range of available designs or even upload your own favorite photo, giving the watch a unique character that perfectly reflects your personality.

Health under control

Now you can monitor your health in real time and react to any worrying symptoms! The smartwatch monitors your heart rate, saturation and heart rate in real time, providing you with accurate information about your body. It also measures your stress levels, and with the sleep monitoring function you can track the quality and duration of your sleep, helping you maintain a healthy sleep schedule and improve your overall well-being.

More than 100 sports modes

Want to take care of your physical fitness? The Blackview R30 Pro will help you do just that! The smartwatch offers more than 100 sports modes, including running, cycling or yoga. So you can choose your favorite activity or try something completely new! In addition, it measures the number of steps and calories burned, as well as the distance traveled.

Always up to date

With the Blackview R30Pro you can always stay up to date, without having to constantly check your phone. The smartwatch will instantly notify you of all messages and notifications from your favorite apps. With Bluetooth calling capabilities, you are free to receive or make calls from the watch!

Additional capabilities

That's not all the possibilities the Blackview R30 Pro smartwatch offers yet! Use the music player control function to easily switch between your favorite songs without taking your phone out of your pocket. You can also check the current weather forecast and use the voice assistant. Want to kill some time during a long trip or waiting for friends? The R30Pro gives you access to a variety of games to keep you entertained at all times.
