Ref: 6911410180043

Tenwin 8004-1 electric double battery operated sharpener (silver)

The Tenwin TW8004-1 electric pencil sharpener is a reliable tool that works well both at home and in the office. It allows you to sharpen 2 pencils of 6-8 mm and 9-12 mm diameter at the same time and is powered by 4 AA batteries (not included). In addition, its compact design (70 × 75 × 70 mm) makes it fit perfectly into any environment without taking up too much space.

Versatility and performance

The TW8004-1 has 2 slots: one for tempering 6-8 mm pencils, and the other for 9-12 mm. In addition, it provides a wide range of applications - from thin pencils to thick art pencils. With replaceable blades, the sharpener ensures long-lasting performance and precise tempering for a long time.

Safety and comfort of use

Injury protection and a special switch guarantee safe use. In turn, the quick and convenient emptying of the reservoir makes keeping the sharpener clean easy and does not take much time.

Portable design

Compact and portable design and powered by 4 AA batteries (not included) allow you to use the sharpener anywhere. It will find its use

in places such as school, office or home.
