

Jumbo Hole Rechargeable Automatic Pencil Sharpener Tenwin 81

Ref: 6911410781882

Jumbo Hole Rechargeable Automatic Pencil Sharpener Tenwin 8188-7 USB-C 2000mAh (silver)

Tenwin 8188-7 USB-C 2000 mAh multifunctional electric sharpener (silver)

Tenwin 8188-7 multifunctional electric sharpener is an ideal solution for those who value convenience and precision. The sharpening process is fully automatic - just place the pencil and the device will take care of the rest by itself, without requiring you to hold the pencil with your hand. It is compatible with different types of pencils, and advanced polishing technology ensures smooth and perfectly sharpened tips.

Precise sharpening

The Tenwin 8188-7 pencil sharpener automatically stops when the pencil reaches the perfect point, ensuring perfect results every time you sharpen. It also features automatic removal of broken graphite, which prevents clogging and ensures uninterrupted operation. Thanks to its patented finishing technology, sharpened pencils are smooth and perfectly pointed.

Adapted to different shapes

The pencil sharpener is compatible with pencils or crayons with a diameter of 7 to 11.5 mm and supports a variety of shapes, making it extremely versatile. You will successfully sharpen triangular, hexagon, oval or round shaped pencils. The ability to adjust the size of the blade on 3 levels will allow you to get the perfect sharpness for any project, whether you need a precise, thin tip or a more durable, thicker blade.

Maximum performance

Equipped with a capacious 2000 mAh lithium battery, the Tenwin 8188-7 sharpener offers fast and efficient pencil sharpening. After about a 2-hour charge, you can use the sharpener up to 600 times! What's more, the device can also work while charging, although it is recommended to use it after a full charge for optimal battery life.

Carefully refined design

The large, tightly sealed chip container makes this model extremely practical and easy to keep clean. Chrome-plated blades allow you to use the sharpener for a long time without losing its effectiveness. In addition, the device will automatically shut off when the container is opened, making it safer to use. You also don't have to worry about overheating.

Included:

Sharpener
USB-C cable

Manufacturer Tenwin Model 8188-7 Color Silver Capacity 2000 mAh / 3.7V Battery type Lithium Charging time Approximately 2 hours Compatible pencil diameter 7-11.5 mm Charging interface USB-C Product dimensions 92 x 91 x 186 mm Weight approximately 489 g
