Ref: 5906168437267

Playmags 3D magnetic dome blocks 164 set of 28 pieces.

The set of 3D Playmags magnetic blocks will spark your child's imagination and provide hours of creative fun. The whole set consists of 28 elements that can be combined in many different ways to create unique constructions. The toy is suitable for toddlers from 3 years old and perfectly complements other Playmags sets.

**Strong magnets and variety of elements**

Each piece of Playmags blocks is equipped with strong magnets to ensure durability and stability of the construction. The set includes 12 pieces of domes, 12 windows and 4 hexagons. Thanks to them, children can create unique structures, such as domes of castles, which can be freely modified. The magnets work on all sides and attract each other even when flipped over, making it possible to create more complex structures.

**Developing creativity and motor skills**

Playmags encourages children to think creatively and develops their imagination. The various shapes and colors of the pieces allow the creation of endless structures, which promotes the development of critical thinking skills. Building with blocks also promotes the development of hand-eye coordination and precise hand movements, which is extremely important for toddler development.

#### Educational fun

By stacking colorful pieces, children learn basic math concepts such as counting, addition and subtraction, as well as gain knowledge about symmetry and spatial thinking. The Playmags set is a great way to combine learning and fun.

#### For the sake of safety

Playmags magnetic blocks are made of high-quality materials that guarantee durability. The toy meets all safety standards, so parents do not have to worry about their kids while playing.
