Playmags 3D magnetic train blocks 155 set of 20 pieces

Introduce your child to the fascinating world of creative play with Playmags magnetic blocks! The set consists of 20 elements and is an ideal solution for children from 3 years old who want to develop their imagination and construction skills. Thanks to the blocks, toddlers can build a variety of projects and spend time on educational and fun-filled play. The toy has received the Dr. Toy award and received the National Parenting Center's seal of approval.

Developing creativity

The Playmags set helps children build creativity. The magnetic blocks encourage the development of critical and logical thinking. With a variety of shapes and possibilities, toddlers can create unique constructions, which stimulates their imagination.

Elements that will interest the toddler

The Playmags set includes 4 cars and 16 gates. The magnets of the blocks are attracted to each side. Little builders can combine the accessories on a flat surface to create a variety of patterns and structures, as well as learn basic concepts of geometry, symmetry, architecture and mathematics.
