3D Playmags magnetic blocks 170 set of 80 elements.

Do you want the time your child spends playing to be full of educational value as well? Bet on Playmags' proposal! The set of 80 magnetic blocks will delight toddlers from 3 years old who want to develop their construction skills and creativity. Colorful, magnetic pieces will provide hours of activity, combining learning with entertainment.

Magnets for big constructions

The set contains square pieces, which are equipped with extra strong magnets, enabling them to build stable and tall structures. As a result, the blocks provide a great way to develop a child's engineering and spatial skills.

Learning through play with letters and numbers

The individual pieces allow for the arrangement of words and numbers, which stimulates creativity, while stimulating math and language skills. With Playmags the possibilities for educational fun don't end!

Skill development

Playmags blocks are a tool for developing problem-solving skills, manual skills and shape recognition. The pieces are perfect for preschool group play, as well as for individual play.

A versatile gift for any occasion

The colorful and engaging Playmags set is the perfect gift for birthdays, holidays or other occasions for boys and girls. The blocks are compatible with other Playmags sets for even more opportunities for creative play and building.
