2-in-1 USB-C to USB-C + Magsafe 3 cable Mcdodo CA-0140, 2m (black)

Ref: 6921002601405

Mcdodo CA-0140 2-in-1 USB-C to USB-C + Magsafe 3 cable, 2m (black).

Mcdodo CA-0140 is a cable that not only meets, but exceeds expectations, providing reliability, speed and convenience. With two different connectors - USB-C to MagSafe 3 and USB-C to USB-C - it is ideal for owners of a variety of devices. It offers power of up to 240 watts (for USB-C), and the built-in E-Marker chip ensures fast and stable charging while taking care of safety.

Discover the new standard for fast charging

With 140 watts of power for MagSafe 3 and 240 watts for USB-c, this cable provides not only fast, but also safe charging for your devices. In just 30 minutes, renew the power of your MacBook Pro 16" up to 55% or your iPhone 15 up to 60%! Support for the PD3.1 standard makes charging take even less time. What's more, a small light indicator will inform you of the charging status.

Ready for intensive use

The Mcdodo CA-0140 is also distinguished by its sturdy construction that ensures reliability at every step. Using a nylon braid, the cable is not only flexible, but also resistant to mechanical damage and abrasion, making it an ideal companion for both travel and everyday use. In addition, reinforced connectors guarantee a stable connection and longer cable life, eliminating the risk of breakage or loose contacts.
