

Lubluelu 202 cordless upright vacuum cleaner

Lubluelu 202 cordless upright vacuum cleaner

# Lubluelu 202 cordless upright vacuum cleaner.

Make cleaning easy. The Lubluelu 202 Cordless Upright Vacuum Cleaner offers an exceptional suction power of 25 kPa to quickly and effectively tackle dirt. It also has a built-in LED display and stands out with a run time of up to 45 minutes. At the same time, it is very convenient to use. It also comes with additional brushes to help you clean hard-to-reach corners.

# Quiet and efficient operation

Now you can deal with even stubborn dirt in no time. The vacuum cleaner provides impressive suction power, which reaches up to 25 kPa. Thanks to this, it quickly and thoroughly eliminates dust, crumbs and even hair. At the same time, the device works surprisingly quietly - its volume level is only about 69 dB. Don't worry about being disturbed by annoying noise! You can also choose from 3 levels of suction power - 8 kPa, 16 kPa or 25 kPa. Adjust the operation of the vacuum cleaner to your needs and enjoy tidiness!

## Specially designed brush

The vacuum cleaner is equipped with a specially designed brush that is perfect for both hard floors and carpets. Its V-shaped shaft not only allows you to effectively remove dirt, but also is very easy to clean.

Long working time

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente)

Forget about unnecessary interruptions in cleaning. The 202 vacuum cleaner is equipped with a powerful rechargeable battery ( $7 \times 2200 \text{ mAh}$ ), so it can run continuously for up to 45 minutes. This means that it will work great in both small and larger apartments! What's more, charging the device will only take about 4-5 hours.

#### Reliable filtration

Enjoy clean air in your home and say goodbye to unpleasant odors while vacuuming. The 202 offers a 5-stage filtration system with a HEPA filter, so it effectively traps even the finest particles and prevents secondary contamination.

#### Convenient operation

The Lubluelu 202 vacuum cleaner is equipped with a 10-centimeter LED screen, which will provide you with the most important information about its operation. With its help, you can conveniently check the current charge level and more! In addition, the device offers a large dust container with a capacity of 0.6 I - you don't have to empty it too often.

## Replacement brushes included

Take care of every nook and cranny. The set includes several interchangeable brushes that will help you with this! The crevice nozzle will come in handy for vacuuming narrow, hard-to-reach places, such as the recesses in the seats. The soft brush, on the other hand, will be perfect for cleaning furniture and delicate surfaces.
