MOFII Candy New 2.4G Wireless Keyboard + Mouse Set (Pink)

MOFII Candy New 2.4G Wireless Keyboard + Mouse Set (Pink)

The MOFII Candy New 2.4G set is an excellent choice for those who appreciate the combination of modern technology and unique design. Created for users who appreciate both aesthetics and high functionality, the set, consisting of a keyboard and mouse, fits perfectly into any office or home workstation. Thanks to the 2.4G connection, it provides convenience of use without unnecessary cables.

Keyboard - compact and efficient

The keyboard in the MOFII Candy New kit features a compact design, offering 84 keys for comfortable and efficient typing. Equipped with function keys, it allows you to freely manage the most important functions of your computer. With a key life of 8 million clicks, you can count on long-lasting reliability. The keyboard is powered by two AA batteries, which ensures a long operating time without the need for frequent power changes.

Mouse - charming design and precision

The included mouse features a unique cat-shaped design, which adds to its unique charm. It offers adjustable DPI in the range of 800/1200/1600, allowing you to customize the sensitivity for precise cursor control. It has 4 buttons with a lifespan of up to 3 million clicks, and its ergonomic design guarantees comfort even during prolonged use.

Wireless freedom

Advanced 2.4G wireless connection technology provides a stable and fast connection over a distance of up to 10 meters, eliminating problems with tangled cables and range limitations. The MOFii Candy New kit is compatible with a wide range of operating systems, including Windows 2000, Windows XP, Windows ME, Windows Vista, Windows 7, 8, and 10, making it a universal solution for any user.
