

Mount for sports cameras PGYTECH 360° Arca-Swiss (P-CG-014)

Ref: 6970801337008

Mount for sports cameras PGYTECH 360° Arca-Swiss (P-CG-014)

PGYTECH Sports Camera Clip P-CG-014

The PGYTECH brand sports camera clip provides greater flexibility when recording. The specially designed quick release allows for quick installation and removal of the device. The product is compatible with the Arca-Swiss system, and the interface and adapter ensure compatibility with most sports cameras. The accessory is also lightweight and durable. You can take it with you wherever you want.

Flexibility

The ball head design allows for 360° rotation and 32° tilt. This function will add creativity to your photos.

Special Quick Release

To install or remove the camera, unlock the pin, rotate it 90°, and then lock it.

Compatibility

The square shape of the clip is compatible with the Arca-Swiss system. The accessory also fits the PGYTECH Beatles CameraClip. In addition, the interface and 1/4"-20 adapter ensure compatibility with most sports cameras such as GoPro, DJI Osmo Action/Pocket and Insta 360.

Lightweight, robust and portable

The extraordinary strength and lightness of the device is due to the material from which the plate base and ball head were made. This material is aluminum. The product weighs only 40 g, so it is easy to carry it.
