

## MOFII Wireless Keyboard+Mouse X210 2.4G (Blue/Black)

Ref: 6950125749831

MOFII Wireless Keyboard+Mouse X210 2.4G (Blue/Black)

### MOFII X210 2.4G Wireless Keyboard+Mouse Set (Blue/Black)

The MOFII X210 wireless set is an excellent investment for anyone looking for a reliable, convenient and stylish solution for everyday work. It will be perfect for both the office and the home office, ensuring comfortable and efficient work. Thanks to the advanced 2.4GHz wireless technology, users can enjoy full freedom of movement and convenience of use, without unnecessary cables tangled on the desk.

#### Keyboard - compact and powerful

The keyboard in the MOFII X210 kit combines compact size with full functionality. Equipped with 79 keys, including 12 function keys, it allows quick access to the most frequently used functions. With a key life of up to 8 million clicks, you can be sure of its durability and reliability. Powered by a single AA alkaline battery, the keyboard is lightweight (320 g) and easy to carry, making it an ideal choice for both office work and travel.

#### Mouse - unmatched precision

The MOFII X210 included mouse with 1200 DPI optical precision provides accurate and smooth cursor movements. Equipped with 3 buttons with a lifespan of up to 3 million clicks, it is durable and reliable. With three levels of power-saving mode and automatic RF off and on, the mouse provides long battery life, which is especially useful for daily use. Powered by a single AA alkaline battery, it weighs only 75 grams, making it lightweight and comfortable to use.

Advanced technology and ease of use

The MOFII X210 kit uses advanced 2.4GHz FSK Autolink technology to provide a stable and fast wireless connection. With bidirectional RF channels and a range of 6 to 10 meters, you can freely use the keyboard and mouse without worrying about signal interference. The small receiver, included in the kit, provides easy installation and setup so you can get started quickly.
