Clitoral massager Satisfyer Penguin

Ref: 4049369015108

Penguin Satisfyer clitoral massager.

Bring elegance into your intimate life with the Satisfyer. Penguin is a body-friendly erotic toy that combines revolutionary Air-Pulse technology with an adorable and fun design. The elegant tuxedoed penguin provides an unforgettable experience, using pressure waves to stimulate the clitoris. Equipped with 11 pressure modes, it will provide you with a full spectrum of pleasure. Penguin is IPX7 waterproof, so you can not only clean it easily, but also use it successfully in the shower. You'll renew its energy with the magnetic cable included in the package.

Sophisticated design

Penguin is a real gentleman among Satisfyer adult toys. He wears an elegant tuxedo, prepared to give you pleasure. The ergonomic shape makes the massager comfortable in the hand and is an excellent choice for those who have not used similar devices before. What's more, the discreet design allows you to pack the Penguin in your makeup bag to go with you on your travels without any trouble.

Body-safe materials

The massager was created from high-quality medical silicone, which makes it not only safe for the skin, but also extremely hygienic and easy to clean. It is soft and pleasant to the touch, which further enhances the comfort of use and sensations during stimulation. The waterproof design (IPX7) means you can safely use the massager in the shower and quickly clean it under running water.

Non-contact pleasure

With this elegant penguin, orgasm is at your fingertips. The advanced Air-Pulse technology stimulates the clitoris with intense pressure waves, delivering extraordinary sensations without direct contact. The Satisfyer Penguin offers 11 levels of intensity, which you change using intuitive and conveniently placed buttons. So you can customize its operation to suit your mood and current needs. The lowest level offers a gentle, pleasant massage, perfect for a warm-up or foreplay. The highest, on the other hand, will give you a stunning sensation that will literally take you moments to reach your peak.

Robust, but discreet

The Penguin is equipped with a lithium-ion rechargeable battery, which you can easily charge with the magnetic cable you'll find in the package. It is powered by a motor that stands out for its high power output. However, it works extremely quietly, so it not only provides discretion, but also does not distract, allowing you to fully focus on pleasure.
