Feel Good Satisfyer menstrual cup (purple).

If you haven't tried a menstrual cup yet, it's time to change that! Experience the luxury of comfort and reliability with the Feel Good from Satisfyer. Made of the highest quality medical-grade silicone, it is completely skin safe and hypoallergenic. In addition, it is fully hygienic, allowing you to use it again and again for many years. Using the Feel Good cup allows you to significantly reduce or even eliminate the need for sanitary pads and tampons, which is good for both your body and the environment. And the savings on hygiene products? They will certainly surprise you!

Comfort and safety during menstruation

Feel Good menstrual cup works on the principle of vacuum, which means that properly applied, it prevents its contents with air. This prevents bacteria from accessing the blood, which counteracts its decomposition and odor. You can wear the large-capacity cup for up to 10 hours during the day! After each menstruation, simply boil it in water to ensure complete hygiene and long-lasting use. The set includes two cups with a capacity of 15 ml and 20 ml, which makes them ideal for days with lighter and more intense bleeding.

Eco-friendly and economical solution

Feel Good menstrual cups are an eco-friendly alternative to disposable sanitary products. Their repeated use allows you to significantly reduce the amount of waste, and brings significant savings on hygiene products. By betting on Feel Good you are investing in a product

that will serve you for years to come, providing reliability and comfort during every menstruation. Feel Good is the perfect solution for both novice and experienced users. The ergonomic shape and soft silicone make it easy to use and comfortable even during prolonged wear.
