Swordsman Satisfyer vibrating ring (green)

The Swordsman Satisfyer vibrating ring is the perfect solution for those who want to enhance erections and prolong shared pleasure. Made of soft silicone, it provides a blood-retaining effect that intensifies sensations for both you and your partner. Thanks to its adjustable size with a slider, Swordsman is ideal for both beginners and experienced users. In addition, its quiet operation guarantees complete discretion during shared moments of intimacy.

Powerful vibrations for shared pleasure

The large, wavy clitoral stimulator is designed to intensely stimulate the clitoris during penetration. Each movement of your partner intensifies the vibrations, ensuring maximum pleasure with each thrust. What's more, the Swordsman offers up to 12 vibration programs that you can easily control with the touch of a button.

Your key to complete satisfaction

The vibrating ring is an indispensable tool for increasing pleasure during lovemaking. It effectively stops the flow of blood, providing a stronger and longer erection, which translates into more intense sensations for both partners. Thanks to its adjustable size with a zipper, it perfectly fits any penis.

Ready for fun in the shower

With its IPX7-level waterproof design, the Swordsman Satisfyer vibrating ring becomes an indispensable companion not only in the bedroom, but also in the shower or bath. You can now explore new horizons of pleasure without worrying about flooding the device.

Ease of cleaning and care

The medical silicone from which the ring is made is not only pleasant to the touch, but also makes it easy to keep the device clean. After each use, simply wipe it with warm water and mild soap to keep it fresh and ready for the next use.
