Uperfect USteam E6 Pro 18.5" 1920x1080 120Hz portable monitor

Gaming has never been so much fun. The Uperfect monitor with a resolution of 1920x1080 is designed specifically for lovers of role-playing games, shooters, strategy games, racing games, etc. In addition, the touchscreen enhances the user experience, while HDR technology allows the display of realistic and deep colors. The monitor combines cutting-edge technologies to offer extraordinary image quality and interactivity that will satisfy the needs of even the most demanding gamers.

Unparalleled smoothness and image quality

The 120 Hz refresh rate provides smooth images that are crucial for dynamic scenes in games. Every character movement and animation is displayed without lag, allowing you to fully immerse yourself in the game. In turn, the 1920x1080 resolution guarantees sharp and detailed images, which is essential for full gaming enjoyment.

Always a consistent picture

The FreeSync feature is an invaluable technology for gamers that prevents screen tearing and ensures screen continuity every second. It effectively synchronizes the refresh rate of the monitor with the graphics card, which eliminates stuttering and image tearing. This makes every game more realistic and immersive, and you can enjoy smooth motion without interruptions.

Touch control
With its 10-point touch screen, the UPERFECT monitor offers extreme precision and ease of use. The screen is ideal for puzzle and strategy games, and the intuitive touch control makes use more natural and comfortable. So you don't need to connect a mouse to it. This makes the monitor suitable not only for entertainment, but also for other tasks.

VESA mount and adjustability
The UPERFECT monitor is equipped with 4 holes for a VESA mount (75x75mm), so you can place it where you want, which increases the flexibility of its use. This solution saves desk space, which is especially important in small spaces. In turn, the built-in stand stably supports the monitor on any smooth surface, allowing you to freely adjust the viewing angle.

Compatible with a variety of devices
The monitor is extremely versatile and compatible with a wide range of devices. It can be easily connected to consoles such as PS4, PS5, Switch and Xbox, allowing you to enjoy your favorite games on a large, high-quality screen. You'll also pair the Uperfect USteam E6 Pro via Bluetooth with headphones, a mouse or keyboard.

Refined in every detail
Built-in dual 2-watt stereo speakers provide immersive stereo sound. You can also connect an external speaker via the 3.5mm audio input for an even better sound experience. In addition, Ucare technology reduces blue light emissions by more than 80%, which is key to protecting your eyesight. And you don't have to worry about flickering images - use the USteam E6 Pro as much as you want without discomfort or fatigue.
