Uperfect Portable Monitor USteam G16 15,6" 1920x1080 120Hz

Uperfect USteam G16 15.6" 1920x1080 120Hz portable monitor

The Uperfect USteam G16 is the perfect solution for gamers and professionals looking for a high-quality monitor in a smaller format. It offers Full HD 1920x1080 resolution for sharp and detailed images. Its 120 Hz refresh rate and 9 ms response time guarantee smooth images, making it an ideal choice for work and entertainment. In addition, it uses eye protection by reducing the impact of blue light by more than 80% - use the G16 without worrying about discomfort.

Exceptional image quality

The USteam G16 monitor provides a wide viewing angle (178°) and excellent color reproduction. With a brightness of 250 cd/m² and a contrast ratio of 1200:1, the monitor can display clear and vivid images, even in bright rooms. The monitor also supports HDR, which adds depth and realism to the displayed content. With a color gamut of 72% sRGB and a color depth of 16.7M (8-bit), images are rich in detail and faithfully reflect reality.

Smooth images and fast response time

A refresh rate of 120 Hz and a response time of 9 ms make the Uperfect USteam G16 monitor ideal for dynamic games and movies. The display delivers smooth and responsive images, which is crucial for gaming, racing and other demanding applications. The technology enables better motion tracking, resulting in higher performance and greater user satisfaction.

Intuitive touch operation

The monitor features a 10-point touchscreen for enhanced functionality and convenience. The touch interface allows easy control of applications, which is especially useful for creative work, presentations and when using multimedia applications.

Portable design

With a weight of just 0.91 kg and a slim 8.8 mm-thick chassis, the USteam G16 monitor is extremely easy to carry. The built-in 10800 mAh battery provides 3-4 hours of operation on a single charge, allowing you to freely use the monitor on the go, in meetings or while working remotely.

Versatile connectivity

The Uperfect USteam G16 monitor features a variety of interfaces, including USB-C (audio and video), mini HDMI (audio and video), USB-C (power) and micro USB OTG (for mouse and keyboard connection). This ensures broad compatibility with a wide range of devices, such as laptops, smartphones, gaming consoles (PS4, PS5, Xbox, Switch) and desktops. This makes the monitor ideal for work and entertainment, offering flexibility and convenience.

Built-in speakers and high quality sound

The monitor has built-in stereo speakers (2*8Ω 1W) that provide high quality sound. So you can enjoy full and clear sound without connecting external speakers. This is especially useful when watching movies, listening to music, or playing games.
