TWS Transformers TF-T05 headphones (black)

TWS Transformers TF-T05 headphones (black)

Discover a new dimension of sound quality with the TWS Transformers TF-T05 headphones. Bluetooth 5.3 technology ensures excellent connection stability, and the powerful battery allows you to enjoy up to 5 hours of operating time. The ergonomic design guarantees unparalleled comfort, and the ENC noise-canceling microphones allow you to make phone calls with ease.

Stable connection thanks to Bluetooth 5.3

The headphones support Bluetooth 5.3 technology, which provides an extremely stable connection to your device over a distance of up to 10 meters. Thanks to the new chip, the device features high performance with minimal power consumption, resulting in longer operating time and excellent audio/video synchronization - ideal for watching movies and playing games.

High-quality materials and wearing comfort

The TF-T05 are made of flexible, skin-friendly material, so they fit perfectly to the shape of the ear, ensuring comfortable wearing even for extended periods of time. They are also distinguished by an innovative "clip ear" design, which guarantees comfortable use without feeling tired or uncomfortable.

Excellent call quality

The headphones are equipped with microphones that support ENC (Environmental Noise Cancellation) technology, which effectively eliminates ambient noise, allowing you to have high-quality conversations. No matter where you are, the TF-T05 guarantee that your calls will sound clear and natural. Now your callers will hear you without any problems!

#### Clear sound with Pulse DT3.0

With Pulse DT3.0 technology, the headphones offer guided sound transmission that automatically adjusts to your needs. This innovative feature delivers crisp, high-precision sound for complete immersion in music, games or movies. Every tone is delivered with incredible clarity and detail, which both music lovers and fans of dynamic games will appreciate.

#### Long-lasting battery life

The TF-T05 is equipped with a 30 mAh rechargeable battery, which allows you to listen to music for about 5 hours. A charging case with a 200 mAh battery provides an additional 2-3 full charges for the headphones. It will therefore be ideal for those who need reliable equipment for long days full of activity.

#### Stylish design and full compatibility

The modern design of the headphones with the Transformers logo emphasizes their uniqueness and futuristic character. The TF-T05 are also compatible with a wide range of devices - from Android and iOS smartphones to Windows laptops. Pairing them will not cause you any problem and will only take a moment.
