Zeblaze Ares 3 Pro Smartwatch (Gray)

Zeblaze Ares 3 Pro is a reliable smartwatch that combines performance and functionality. It is the ideal watch for active users, providing full support both during workouts and in daily life.

Powerful chip and high-end display

Powered by an advanced Realtek 8763EW chip, the Ares 3 Pro offers smooth performance and fast response to your commands. Equipped with a 1.43-inch Ultra HD AMOLED display with a resolution of 466 x 466 pixels and a brightness of up to 1,000 nits, it always provides you with clear access to information, even on the sunniest days. What's more, the Ares 3 Pro offers a wide selection of dials so you can change the look of your smartwatch every day.

Sport modes

Whether you're a runner, cyclist or fitness enthusiast, the Ares 3 Pro offers multiple sports modes to help you track and improve your performance. With more than 100 sports to choose from, you're guaranteed to find your favorite. Maybe you'll even motivate yourself to do a whole new kind of exercise? With the Ares 3 Pro, the possibilities are almost endless!

Waterproof and durable

The Zeblaze Ares 3 Pro watch features an impressive water resistance of 3 ATM (30 meters) and meets the IP69K standard, making it resistant not only to water, but also to dust. You can confidently use it in a variety of conditions without worrying about damage. Training at the gym or jogging in the rain? No problem!

Guarding your health and fitness

The Ares 3 Pro watch is not only a tool for monitoring physical activity. It also offers many other functions, such as sleep monitoring, heart rate measurement, blood oxygen levels and even water drinking reminders. It's also great for monitoring a woman's monthly cycle. With the Ares 3 Pro, your health is under control!

Durable glass and solid construction

The screen of the Ares 3 Pro is protected by durable Corning® Gorilla® Glass, which effectively prevents scratches. The entire construction of the watch is solid and durable, so you can be sure that the Ares 3 Pro will meet the challenges of your active lifestyle.

Your personal assistant

The Ares 3 Pro is not only an ally on the road to healthy fitness. It's also a helper for everyday tasks. It supports push notifications, so you'll stay on top of all notifications from your apps - even when you don't have your phone handy. The ability to answer calls from your wrist, control music or your phone's camera are just some of the conveniences with which life becomes easier!

Long working time

With a 400 mAh battery, the Ares 3 Pro offers impressive runtime on a single charge. In power-saving mode, it can run for up to 30 days, which means you can use it for a long time without worrying about it discharging in the middle of a workout or a phone call.

Wide compatibility

The Zeblaze Ares 3 Pro is compatible with both devices running Android 5.0 or later, as well as iOS 10.0 and later. It supports multiple languages, including Polish, making it seamless to use.
