Torras Diamond-Mag Series Case for iPhone 16 Pro (Transparent)

The Torras Diamond-Mag case guarantees advanced protection. Its satin finish is pleasant to the touch, and the soft frame makes it easy to grip. The thickness of the accessory is only 0.04", which increases the comfort of use.

Military-grade durability

The product meets military standards for drop resistance. Comprehensive protection translates into, among other things, airbags and the use of X-SHOCK™ 4.0 technology, so you don't have to worry about the safety of your smartphone. The SGS certification confirms the solid workmanship of the case.

Magnetic power

Halbach's strong magnets allow fast and stable attachment to MagSafe accessories, ensuring security and functionality. So you can use the full potential of your smartphone anywhere.

Attention to detail

Reinforced edges, a 1.5mm camera cover and a 1.2mm screen edge provide extra protection for the most delicate parts of your smartphone. With the Torras case, you can rest assured that your device is completely safe.
