Ref: 6975799311962

Travel adapter TS-611-UK-GRA

Heading for a vacation or a business trip? Take along the convenient Tessian TS-611-UK-GRA adapter, offering one AC socket and 2 USB-A ports. This allows you to comfortably charge and power up to 3 devices simultaneously. The product is compact enough to fit in your backpack with a maximum load capacity of 13 A. The adapter features a type G plug, suitable for sockets in the United Kingdom. Note: the product does not convert voltage - make sure you're using devices with a voltage range of 100-250 V.

Connect Up to 3 Devices Simultaneously

Want to charge or power more devices? Now you only need one adapter! The TS-611-UK-GRA model is equipped with one AC socket and 2 USB-A ports, allowing you to connect up to 3 devices simultaneously. Its rated power reaches 3250 W, with a maximum load capacity of 13 A. You can easily plug in devices such as smartphones, tablets, electric razors, digital cameras, or gaming consoles. Moreover, the USB-A ports of the product offer a current of up to 2.4 A, enabling quick charging for phones or power banks.

Perfect Travel Companion

Don't give up the convenience of powering your devices when you're going on vacation or a business trip. Thanks to its compact design, the TS-611-UK-GRA adapter can accompany you almost anywhere - its dimensions are only 70.9 x 53.7 x 48 mm. You can easily fit it in a suitcase, backpack, or even a handbag! The product is made from flame-retardant ABS material, providing durability and resistance to

damage.
