Tablet HOTWAV TAB R7 - 10.1" 6+6/256GB Grey

HOTWAV TAB R7 Tablet - 10.1" 6+6/256GB Gray

HOTWAV TAB R7 is a tablet created for those who need a reliable and versatile device to work in all conditions. Featuring a large 10.1" HD+ display, a powerful 15600mAh battery and a ruggedized case with IP68, IP69K and MIL-STD-810H certifications, the R7 is an ideal choice for both rugged and everyday use. With 4G-LTE connectivity, 256GB of internal memory expandable up to 2TB, and Android 13 HOTWAV, the R7 delivers unparalleled performance, flexibility and security in one rugged device.

A design ready for anything

HOTWAV TAB R7 is a tablet that was designed with the most demanding users in mind. The rugged design, which meets IP68 and IP69K standards, provides full water and dust resistance, making it the ideal tool for harsh environments such as the construction site, workshop or outdoor terrain. In addition, MIL-STD-810H certification guarantees drop and shock resistance, so the device can withstand even extreme situations.

Capacious battery to keep up with you

With a large 15600mAh battery, the HOTWAV TAB R7 allows for long hours of use (up to 20 hours of phone calls and up to 900 hours in standby mode) and entertainment (up to 18 hours of gaming and video watching and up to 20 hours of music playback) without the need for frequent use of a charger. The fast-charging feature allows for instant replenishment, and the OTG charge-back mode makes the

tablet capable of acting as a powerbank, powering up other devices when needed. So whether you're on a long hike or working in the field, you can rest assured that the R7 will be ready to go all day and even longer.

Powerful processor and efficient memory for smooth operation

The HOTWAV TAB R7 is equipped with an octa-core Unisoc T606 processor, which ensures smooth performance both in everyday tasks and during more demanding applications and games. With 6GB RAM expandable to 12GB, the tablet offers exceptional performance and responsiveness, eliminating lags and stutters. 256GB of internal memory, expandable up to 2TB, guarantees plenty of space for apps, documents, photos and videos, so you have complete freedom to enjoy the digital world.

A display that brings content to life

The large 10.1-inch HD+ display with a 16:10 aspect ratio provides an exceptionally clear and detailed image, ideal for watching movies, browsing the Internet or working with documents. With support for Widevine L1, you can enjoy 1080P quality content on all streaming platforms for full immersion in digital entertainment. The touchscreen responds flawlessly when wearing gloves, allowing you to use the tablet comfortably even in difficult conditions.

A camera that captures every moment

The R7 is equipped with a 16MP front and rear camera, allowing you to take high-quality photos and make clear video calls. With a resolution of 2316x1740 pixels, you can enjoy detailed photos and videos that preserve every detail. Whether you're documenting important moments from your travels or simply taking quick photos at work, the HOTWAV TAB R7 is ready to capture it all.

Always in touch thanks to 4G-LTE

You don't have to worry about lack of Wi-Fi access when you have the HOTWAV TAB R7. With support for the global 4G-LTE network, the tablet allows you to make calls and use mobile internet wherever there is coverage. The ability to use two nano SIM cards or one nano SIM and one TF card further adds to the flexibility of use, allowing you to easily customize the tablet to suit your needs.

Even more features

HOTWAV TAB R7 offers cutting-edge features such as Face Recognition, which allows you to unlock your device quickly and securely, taking care to protect your data. In addition, it supports an advanced 4-in-1 navigation system, combining Beidou, Galileo, Glonass and GPS, which ensures exceptional precision and location reliability even in the most difficult conditions. This makes the R7 perfect for both urban and extreme off-road expeditions, offering full control and safety on every trip.
