Flange Insert 17mm for S9Pro/S12Pro Momcozy

Ref: 5906168434396

Flange Insert 17mm for S9Pro/S12Pro Momcozy

Ensure comfortable and efficient milk intake. This unique product allows you to adjust the diameter of the ring to your individual needs. The flange insert has been carefully designed and manufactured by Momcozy from BPA-free materials, which guarantees not only perfect compatibility, but also high quality and safety. To maintain optimal performance and hygiene, it is recommended to replace the flange insert regularly, especially if you notice a decrease in the pump's suction power. With this product you can enjoy comfortable and safe feeding of your baby.
