Tattu R-Line 22.2V 1700mAh 6S 95C Lipo Battery with XT60 Plug

Ref: 6928493310267

Tattu R-Line 22.2V 1700mAh 6S 95C Lipo Battery with XT60 Plug Connector

Tattu R-Line 22.2V 1700mAh 6S 95C Lipo Battery is an FPV lipo battery with high quality and reliable power. The high C-factor supports high-speed flight, and the refined design of the battery translates into long life and longer range. The product is suitable for 7-inch Ranger, Cinematic and Freestyler drones. R-Line is a brand new product line designed specifically for professional FPV competition. They have higher capacity, lower internal resistance and lower landing temperatures. They are more efficient than any graphene battery.

Manufacturer Gens AceModel TAA17006S95X6
Minimum capacity 1700mAh
Configuration 6S1P / 22.2V / 6 Cells
Discharge rate 95C
Weight (± 10 g) 262 g
Dimensions 94 x 34 x 41 mm
Charging plug JST-XHR
Discharge plug XT60
Application Suitable for 5-inch lightweight cinelifter and 5-inch long-range FPV
