Portable Monitor 14-inch PCM3-AIR Blitzwolf

Ref: 5906168437496

Portable Monitor 14-inch PCM3-AIR Blitzwolf

Blitzwolf PCM3-AIR portable 14-inch monitor

Make your work easier with the BlitzWolf PCM3-AIR. The portable monitor easily connects to your smartphone, tablet or laptop. It provides high quality 1080P FHD video and convenient operation. In addition, the available blue light adjustment function protects your eyesight. The product is also compatible with a wide range of devices, and thanks to its low weight (560 g), transporting it will not be a problem.

Clear picture

Customize the monitor's performance with a brightness adjustment from 20 to 220cd/m2. The use of PWM pulse width control guarantees a perfect picture in any lighting conditions. What's more, the monitor provides a Full HD image with a color gamut of 45% NTSC and SRGB color gamut of 66%, and DCI-P3 color gamut of 49%. This means you can present projects, work or watch movies while enjoying a clear image. In addition, HDR and FreeSync technology translates into smooth, seamless gameplay.

Wide compatibility

The BlitzWolf PCM3-AIR offers ports such as USB-C x2, 3.5mm audio, HDMI 1.4 and USB-A. So you can successfully connect your computer, laptop, headphones or smartphone from popular brands, including Apple, Samsung, Huawei, Lenovo, ASUS. It also supports gaming consoles, such as PS4/5, XBOX ONE, Nintendo Switch.

User-friendly
Use the monitor as you are comfortable. You can display 2 different images or 2 of the same on 2 screens. What's more, the built-in 2.0 speaker system provides high quality sound and movie viewing. In addition, the foldable stand makes it easy to use the product.
