

Wireless charger 3in1 BW-IW30 Blitzwolf

Wireless charger 3in1 BW-IW30 Blitzwolf

Ref: 5906168437502

Blitzwolf 3-in-1 Wireless Charger BW-IW30.

The 3-in-1 multi-functional wireless charger is the perfect solution for Apple users to charge their iPhone, Apple Watch and AirPods simultaneously. The product eliminates the need for multiple chargers and tangled cables. So you can enjoy convenience and order on your desk. It allows both horizontal and vertical charging of equipment.

Fast charging and stability

The BW-IW30 is equipped with top-quality magnets to keep your equipment stable and secure. A wide charging area with three coils ensures a fast and stable wireless charging experience. The charger is compatible with Samsung and iPhone 15/14/13/12 devices along with the MagSafe case.

User-friendly design

The 3-in-1 charger is compact and portable, so storage and transportation won't be a problem. In addition, it allows you to freely adjust the height and angle, and the use of high-quality materials translates into a durable product. It is ideal for home use, office use, as well as when traveling or on business trips.

Safe wireless charging

The charger uses a power level of 20 watts, so it will fully charge your devices in 2-3 hours. Rigorous testing has confirmed its reliability, and safety features such as protection against overcurrent, overvoltage, overheating, etc. ensure safe charging and battery protection for your devices.

Universal compatibility

The BlitzWolf BW-IW30 supports fast charging for many Apple devices and other Samsung wireless devices. It is compatible with iPhone 15/15 Pro/15 Pro Max/14/14 Pro/14 Pro Max/14 Plus/13/12 Pro Max Mini, Apple Watch Ultra 2/Ultra/9/8/7/6/5/4/3/2/SE and AirPods 2/Pro/Pro 2/3. In addition, it has a USB-C port and various wireless outputs (15W, 10W, 7.5W, 5W, 2.5W), compatible with PD protocol.
