HUB 5in1 MOKiN USB-A3.0 to 4xUSB-A + 1xUSB-C DC (black)

Ref: 6976301939421

HUB 5in1 MOKiN USB-A3.0 to 4xUSB-A + 1xUSB-C DC (black)

MOKiN 5-in-1 USB-A3.0 to 4xUSB-A + 1xUSB-C DC HUB (black).

Expand the capabilities of your computer and keep your desk tidy. The 5-in-1 hub by MOKiN offers up to 4 USB-A ports to which you can conveniently connect the devices of your choice. The product allows you to transfer files at speeds of up to 5 Gbps and stands out for its wide compatibility. It is also extremely lightweight and portable - it can accompany you almost anywhere. Its additional advantage is a long, approximately 0.6-meter cable, which provides more freedom during installation.

Fast file transfer

Do you often transfer files between devices? The MOKiN hub is for you! This handy device allows you to transfer data at speeds of up to 5 Gbps, so you can copy your photos, videos or documents in no time. It's ideal for graphic designers, video creators and anyone else who wants to save time!

More possibilities

The hub puts at your disposal 4 USB-A ports, to which you can connect such devices as, for example, external drives, keyboards, printers and much more. Each of them has an independent switch, so you can conveniently manage the connected equipment. The product also has a USB-C 5V port, which allows you to provide an additional power source for the other sockets. This, in turn, translates into its more efficient and reliable operation.

Wide compatibility

Forget about compatibility issues. The hub works perfectly with most popular operating systems, such as Windows, macOS, Linux and Android. You can also connect a variety of devices to it, such as an external drive, mouse, keyboard, smartphone, webcam, memory card reader and printer, for example. You don't have to limit yourself!
