

Charger MOKiN PD150W 2xUSB-C 2xUSB-A (black)

Charger MOKiN PD150W 2xUSB-C 2xUSB-A (black)

Ref: 6976301939414

MOKiN PD150W 2xUSB-C 2xUSB-A network charger (black).

Charge up to four devices simultaneously and save time. The MOKiN network charger offers four ports (2x USB-A, 2x USB-C), and its maximum total output power reaches up to 150 watts. It is also distinguished by its wide compatibility and compact design - you can always have it at hand.

Impressive power

With the MOKiN charger, charging takes less time than ever before. The maximum total output power of the device is as high as 150 watts, and the power supported by a single USB-C port reaches 100 watts. In addition, the product supports the PD standard. All this means that you can charge your phone, tablet or even laptop in no time!

Up to four devices simultaneously

With the MOKiN, you don't have to wait for one device to be ready for use before plugging in another. The charger is equipped with four ports - two USB-C and two USB-A. So you can connect as many as four devices to it at the same time, for example, a laptop, tablet, phone and wireless headphones.

GaN+ technology

The charger uses advanced GaN+ technology, making it exceptionally efficient and safe to use. What's more, the solution used made it possible to significantly reduce the size of the device. As a result, the product is so light and handy that it can accompany you almost anywhere - you can easily fit it in your purse or backpack.

Compatible with your devices

Now you only need one charger to charge most of your devices. The MOKiN brand product is compatible with many commonly used devices, such as, for example, smartphones, tablets, laptops, headphones and more.
