WAUDOG gradient nylon dog leash, 20mm wide, 122cm long, orange

WAUDOG gradient nylon dog leash, 20mm wide, 122cm long (orange).

Looking for a stylish yet durable leash for your dog? The WAUDOG leash is an excellent choice for any dog owner who appreciates both fashionable looks and functionality. The width of 20 mm provides a comfortable grip, and the length of 122 cm allows full control during walks with medium-sized dog breeds. It is made of rPET material, which makes it extremely durable, and the titanium coating provides additional wear resistance, guaranteeing long-lasting use, even with intense walks.
