Dog collar made of natural leather and recycled material with QR code Waudog size M, width 20 mm, black

Dog collar made of natural leather and recycled material with QR code Waudog size M, width 20 mm (black).

WAUDOG collar is a combination of natural leather and recycled cotton, designed for the comfort of medium-sized dogs. Perfect for pets with a neck circumference of 30 cm to 39 cm, it provides a perfect fit and comfort during daily walks. With a width of 15 mm, the collar is light and delicate, yet sturdy enough to meet the needs of small dogs.

Security with innovative QR code

The collar is equipped with a QR code that acts as a digital passport for your dog. If your dog gets lost, anyone can scan the code and access the most important information about the pet and the owner's contact, increasing the chances of getting your pet home quickly.
